

Minnesota Coalition for the Homeless 2019 Annual Conference

September 17 & 18 | Rochester, MN | Mayo Civic Center

COLLECT CONNECT CHANGE

Empowering Changemakers to Action

The MCH 2019 conference will focus on connecting Minnesotans from across the housing sector to create collective change. When we educate ourselves and connect with the incredible work around us, we have the capacity to implement strategic and innovative solutions. Only together will we develop a more equitable and effective model for housing stability and economic security.
